)	<u>OBJECTION TO CONFIRMATION</u>

Mercedes-Benz Financial Services USA LLC ("Mercedes-Benz"),
a secured creditor of the Debtor in connection with three
vehicles, objects to the Debtor's plan for the following
reasons:

- a. **The vehicles:** The debtor owns the following three vehicles
that have been financed with Mercedes-Benz Financial
Services USA LLC:
- i. 2015 Mercedes-Benz CLS 400C4 with a payoff balance
due at filing of \$76,231.69.
 - ii. 2016 Mercedes-Benz S550V4 with a payoff balance due
at filing of \$99,465.32
 - iii. 2016 Mercedes Benz S550V4 with a payoff balance due
at filing of \$105,304.19.

- b. The plan calls for the surrender of the vehicles but it is believed that the debtor has turned possession of these vehicles over to a third party or parties. If this is the case, you cannot surrender what you do not have in your possession and the plan is filed in bad faith.
- c. **Proof of insurance:** The vehicle must be insured with comprehensive and collision insurance coverage and liability coverage in accordance with the requirements contained in the contract. Mercedes-Benz Financial must be listed as loss payee or additional insured. **The Debtors must provide Mercedes-Benz with proof that the vehicle is insured in accordance with §1326(a)(4) and this portion of the objection to confirmation should be considered a demand that the Debtors provide proof of insurance.**
